

How to Measure

1. Chest/Bust—Measure around the fullest part of the chest/bust. Do not draw the tape too tightly. cm/ in

2. Center Back Neck-to-Wrist—With arm straight, measure from back base of neck, across shoulder, and along arm to wrist. cm/ in

3. Back Waist Length—Measure from the most prominent bone at base of neck to the natural waistline. cm/ in

4. Cross Back—Measure from shoulder to shoulder. cm/ in

5. Arm Length—With arm slightly bent, measure from armpit to wrist. cm/ in

6. Upper Arm—Measure around the widest section of the upper arm located above the elbow. cm/ in

7. Armhole Depth—Measure from the top outside edge of the shoulder down to the armpit. cm/ in

8. Waist—Measure your waist at the smaller circumference of your natural waist, usually just above the belly button. cm/ in

9. Hip—Measure at the widest part of your lower hip. cm/ in

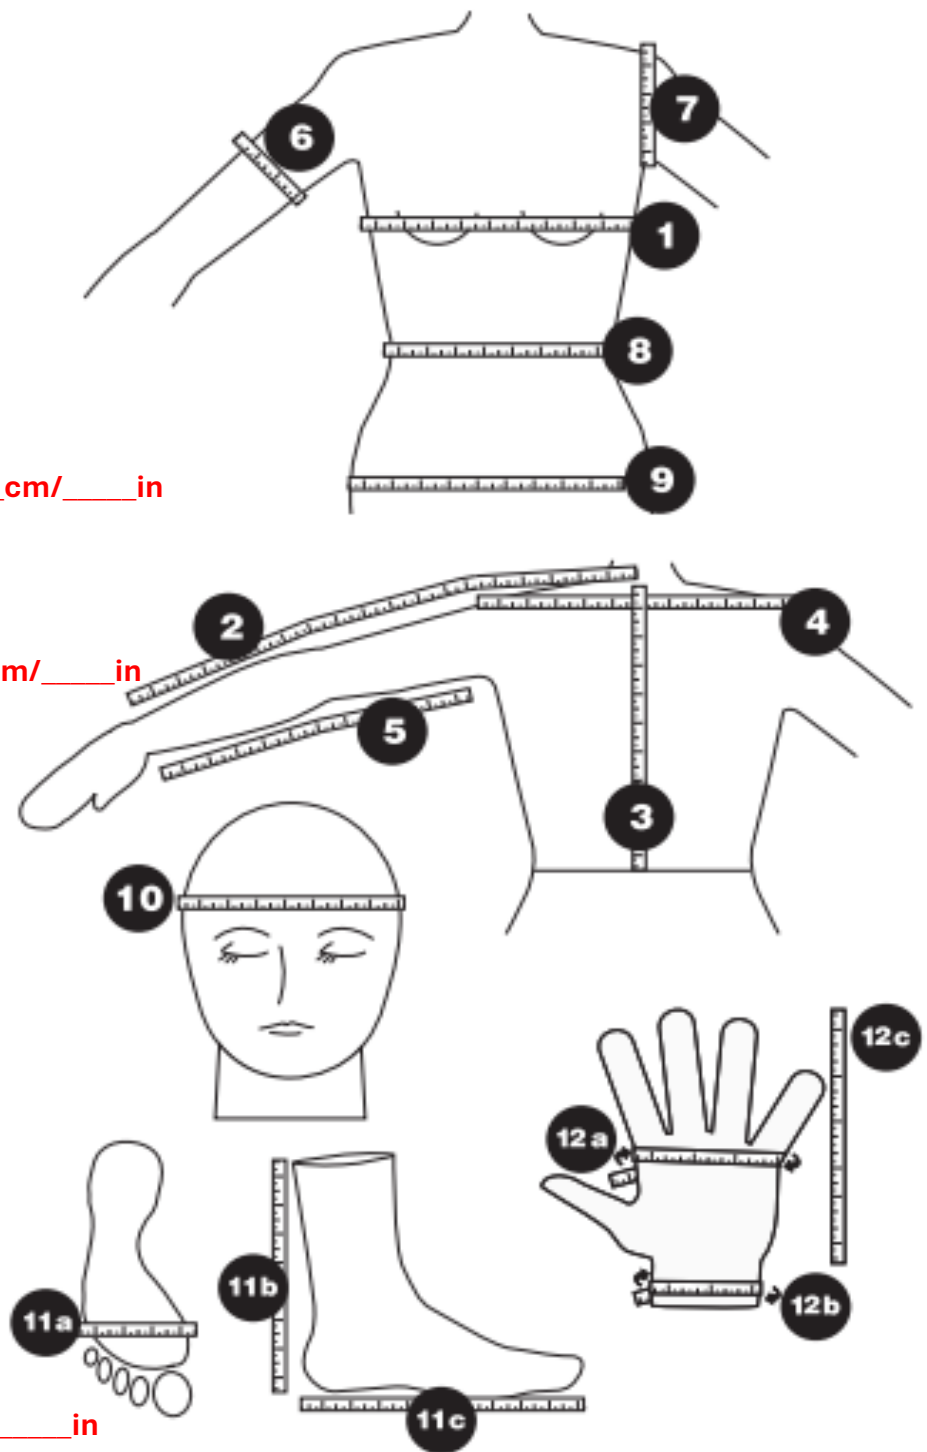

10. Head Circumference—For an accurate head measure, place a tape measure across the forehead and measure around the full circumference of the head. Keep the tape snug for accurate results. cm/ in

11. Sock Measurements—The following measurements are for crew-style or dress socks, which usually come several inches above the ankle and below the calf.

11a. Foot Circumference—To determine the foot circumference, measure around the widest part of your foot. cm/ in

11b. Sock Height—To determine the height of the sock, measure from where you start to turn for the heel shaping to the top of the sock. cm/ in

11c. Total Foot Length—To measure the total length of your foot, place a ruler or tape measure on the floor. Position the back of your heel at the

beginning of the tape and the measure to your longest toe. cm/ in

12a. Hand Circumference—Measure around the palm of your dominate hand, which is usually just below the knuckles. Exclude the thumb. cm/ in

12b. Wrist Circumference—Measure around the widest part of the wrist. cm/ in

12c. Hand Length—Measure from the wrist to the the base of the hand to the tip of the middle finger or to the top of the longest finger. cm/ in
